Commercial Diving Equipment 2008 RETAIL PRICE LIST

Please consult the Specialty Item Pricelist for Jewelry and Apparel prices.

Effective August 1, 2008

This list revokes all former prices and is subject to change without notice.

CAUTION

Diving is a potentially hazardous practice that, if practiced incorrectly or with incomplete planning and procedures, can expose a person to considerable risks including serious injury or DEATH. It requires specialized training, equipment and experience. DESCO recommends the guidelines established by the ADC Consensus Standards for Commercial Diving, as well as, OSHA and USCG Federal Diving Regulations. **NOTE:** No standard will ever exist which can substitute for common sense, sound judgment, and a continuing concern for maximum safety. **SAFETY IS NOT A RULE BOOK; IT IS A STATE OF MIND.**
